

## Mouse anti-Human Cytokeratin 18 Monoclonal Antibody | anti-KRT18 antibody

Cytokeratin 18 Antibody

|                               |                      |                            |                                             |
|-------------------------------|----------------------|----------------------------|---------------------------------------------|
| CATALOG #<br><b>AAA312716</b> | HOST<br><b>Mouse</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry</b> |
|-------------------------------|----------------------|----------------------------|---------------------------------------------|

### PRODUCT SYNONYMS

Cytokeratin 18; Monoclonal Antibody; Cytokeratin 18 Antibody; anti-KRT18 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                               |
|-------------------------------------------------|---------------------------------------------------------------|
| Host                                            | Mouse                                                         |
| Reactivity                                      | Human                                                         |
| Clonality                                       | Monoclonal                                                    |
| Clone Number                                    | IHC018                                                        |
| Form/Format                                     | Tris Buffer, pH 7.3 - 7.7, with 1% BSA and <0.1% Sodium Azide |
| Sequence Length                                 | 430                                                           |
| Applicable Applications for anti-KRT18 antibody | IHC (Immunohistochemistry)                                    |
| Conjugation                                     | Unconjugated                                                  |
| Preparation and Storage                         | Store at 2-8 degree C. Do not freeze.                         |

|----------------------------------|---------------------------------|
| NCBI GI #                        | 34037                           |
| NCBI GeneID                      | 3875                            |
| NCBI Official Full Name          | cytokeratin 18                  |
| NCBI Official Synonym Full Names | keratin 18                      |
| NCBI Official Symbol             | KRT18                           |
| NCBI Official Synonym Symbols    | K18; CK-18; CYK18               |
| NCBI Protein Information         | keratin, type I cytoskeletal 18 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
