

## Rabbit TEAD3 Polyclonal Antibody | anti-TEAD3 antibody

TEAD3 Rabbit Polyclonal Antibody

| CATALOG # | HOST   | REACTIVITY        | APPLICATIONS                                           |
|-----------|--------|-------------------|--------------------------------------------------------|
| AAA314048 | Rabbit | Human, Mouse, Rat | Immunofluorescence, Immunohistochemistry, Western Blot |

### PRODUCT SYNONYMS

TEAD3; Polyclonal Antibody; TEAD3 Rabbit Polyclonal Antibody; DTEF-1; ETFR-1; TEAD-3; TEAD5; TEF-5; TEF5; anti-TEAD3 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                        |
|-------------------------------------------------|------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                 |
| Reactivity                                      | Human, Mouse, Rat                                                      |
| Clonality                                       | Polyclonal                                                             |
| Isotype                                         | IgG                                                                    |
| Purity/Purification                             | Affinity purification                                                  |
| Form/Format                                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                      |
| Applicable Applications for anti-TEAD3 antibody | IF (Immunofluorescence), IHC (Immunohistochemistry), WB (Western Blot) |
| Immunogen                                       | Recombinant fusion protein of human TEAD3 (NP_003205.2).               |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze/thaw cycles.                       |

### IMAGES

**IF (Immunofluorescence)**

Confocal immunofluorescence analysis of U-2 OS cells using TEAD3 Polyclonal Antibody.

**IF (Immunofluorescence)**

Immunofluorescence analysis of A549 cells using TEAD3 antibody.

**IHC (Immunohistochemistry)**  
Immunohistochemistry of paraffin-embedded human placenta using TEAD3 Rabbit pAb.

**WB (Western Blot)**  
Western blot analysis of extracts of various cell lines, using TEAD3 antibody.

## ADDITIONAL INFORMATION

|                                                            |                                                                                                                                                                                                                                                                                                                                                                              |
|------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Related Product Information for anti-TEAD3 antibody</b> | This gene product is a member of the transcriptional enhancer factor (TEF) family of transcription factors, which contain the TEA/ATTS DNA-binding domain. It is predominantly expressed in the placenta and is involved in the transactivation of the chorionic somatomammotropin-B gene enhancer. Translation of this protein is initiated at a non-AUG (AUA) start codon. |
| <b>Product Categories/Family for anti-TEAD3 antibody</b>   | Primary Antibody                                                                                                                                                                                                                                                                                                                                                             |
