### PRODUCT SYNONYMS

CD29; Monoclonal Antibody; FITC anti-human CD29; anti-CD29 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                   |
|------------------------------------------------|-------------------------------------------------------------------|
| Host                                           | Mouse                                                             |
| Reactivity                                     | Human                                                             |
| Clonality                                      | Monoclonal                                                        |
| Isotype                                        | Mouse IgG1                                                        |
| Clone Number                                   | s-TS2/16.2.1                                                      |
| Form/Format                                    | 0.2%BSA and 0.1%Proclin 300 Phosphate-buffered solution,PH7.2-7.4 |
| Applicable Applications for anti-CD29 antibody | FCM/FACS (Flow Cytometry)                                         |
| Conjugation                                    | FITC                                                              |
| Preparation and Storage                        | Store at 4 degree C. DO NOT FREEZE. LIGHT SENSITIVE MATERIAL.     |
