

## Rabbit HRH3 Polyclonal Antibody | anti-HRH3 antibody

HRH3 Antibody

|                               |                       |                                        |                                            |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA318504</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|

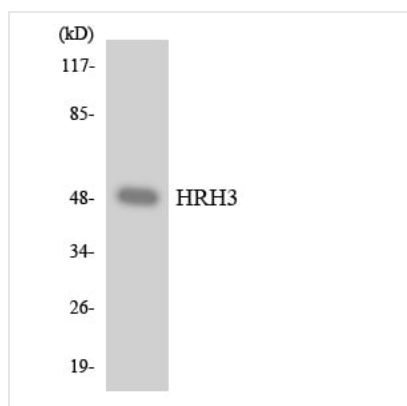

### PRODUCT SYNONYMS

HRH3; Polyclonal Antibody; HRH3 Antibody; Histamine H3 receptor; HH3R; G-protein coupled receptor 97; GPCR97; anti-HRH3 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                           |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                    |
| Reactivity                                     | Human, Mouse, Rat                                                                                                         |
| Clonality                                      | Polyclonal                                                                                                                |
| Specificity                                    | HRH3 Antibody detects endogenous levels of HRH3.                                                                          |
| Purity/Purification                            | Purified from rabbit antiserum by affinity-chromatography using immunogen.                                                |
| Form/Format                                    | Rabbit IgG in phosphate buffered saline (without Mg2+ and Ca2+), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| Sequence Length                                | 415                                                                                                                       |
| Applicable Applications for anti-HRH3 antibody | ELISA, WB (Western Blot)                                                                                                  |
| Immunogen                                      | The antiserum was produced against synthesized peptide derived from human HRH3.                                           |
| Immunogen Range                                | 277-326                                                                                                                   |
| Preparation and Storage                        | Stable at -20 degree C for at least 1 year.                                                                               |

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI GeneID                      | 11255                          |
| NCBI Accession #                 | NP_009163.2                    |
| NCBI GenBank Nucleotide #        | NM_007232.2                    |
| UniProt Accession #              | Q9Y5N1; Q4QRI7; Q9GZX2; Q9H4K8 |
| Molecular Weight                 | 48 kDa                         |
| NCBI Official Full Name          | histamine H3 receptor          |
| NCBI Official Synonym Full Names | histamine receptor H3          |
| NCBI Official Symbol             | HRH3                           |
| NCBI Official Synonym Symbols    | HH3R; GPCR97                   |
| NCBI Protein Information         | histamine H3 receptor          |
| UniProt Protein Name             | Histamine H3 receptor          |
| UniProt Gene Name                | <b>HRH3</b>                    |
| UniProt Synonym Gene Names       | GPCR97; H3R; HH3R              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
