

Rabbit anti-Dog INTERLEUKIN-13 Polyclonal Antibody | anti-IL-13 antibody

RABBIT ANTI DOG INTERLEUKIN-13

CATALOG # AAA50410	HOST Rabbit	REACTIVITY Dog	APPLICATIONS Western Blot
------------------------------	-----------------------	--------------------------	-------------------------------------

PRODUCT SYNONYMS

INTERLEUKIN-13; Polyclonal Antibody; RABBIT ANTI DOG INTERLEUKIN-13; IL-13 antibody; anti-IL-13 antibody

PRODUCT SPECIFICATIONS

Host	Rabbit
Reactivity	Dog
Clonality	Polyclonal
Isotype	IgG
Specificity	IL-13
Form/Format	Purified IgG, liquid. Phosphate buffered saline Antiserum to dog interleukin-13 was raised by repeated immunization of rabbit with highly purified antigen. Purified IgG was prepared from whole serum by affinity chromatography.
Concentration	IgG concentration 1.0mg/ml (varies by lot)
Applicable Applications for anti-IL-13 antibody	WB (Western Blot), Electrophoresis
Immunogen	Recombinant dog IL-13
Preservative Stabilizers	0.09% Sodium Azide (NaN ₃)
Preparation and Storage	Store at 4 degree C. DO NOT FREEZE. This product should be stored undiluted. Should this product contain a precipitate we recommend microcentrifugation before use.

IMAGES

ELISA

Dog Interleukin-13 ELISA: Recombinant Dog Interleukin-13 detected using Rabbit anti Dog Interleukin-13 as the capture reagent and Rabbit anti Dog Interleukin-13: Biotin as the detection reagent followed by Streptavidin: HRP.

ADDITIONAL INFORMATION

Related Product Information for anti-IL-13 antibody	Rabbit anti Dog Interleukin-13 recognizes dog interleukin-13 (IL-13). Dog interleukin-13 is an immunoregulatory cytokine produced by activated T lymphocytes. In dogs IL-13 is thought to have a regulatory role in allergic diseases. In in vitro experiments IL-13 was able to stimulate production of allergen-specific-IgE.
--	--

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
