

## Rat thrombus precursor protein (TpP) ELISA Kit | TpP elisa kit

Rat thrombus precursor protein (TpP) ELISA Kit

|                              |                          |
|------------------------------|--------------------------|
| CATALOG #<br><b>AAA55161</b> | REACTIVITY<br><b>Rat</b> |
|------------------------------|--------------------------|

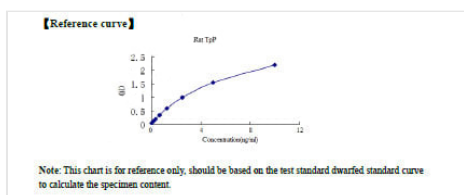

### PRODUCT SYNONYMS

thrombus precursor protein (TpP); Rat thrombus precursor protein (TpP) ELISA Kit; TpP elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Rat                                                                                                               |
| Specificity             | No cross-reaction with other factors.                                                                             |
| Sequence Length         | 890                                                                                                               |
| Samples                 | Rat serum, plasma or cell culture supernatant and organizations in the natural and recombinant TpP concentration. |
| Assay Type              | Sandwich (Quantitative)                                                                                           |
| Detection Range         | 10 ng/ml-0.156 ng/ml                                                                                              |
| Sensitivity             | Up to 0.05 ng/ml.                                                                                                 |
| Intra-assay Precision   | <= 8%                                                                                                             |
| Inter-assay Precision   | <= 12%                                                                                                            |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                                                               |

### NCBI AND UNIPROT INFORMATION

|                                  |                                        |
|----------------------------------|----------------------------------------|
| NCBI GI #                        | 1717829                                |
| NCBI GeneID                      | 7301                                   |
| Molecular Weight                 | 96,905 Da                              |
| NCBI Official Full Name          | Tyrosine-protein kinase receptor TYRO3 |
| NCBI Official Synonym Full Names | TYRO3 protein tyrosine kinase          |
| NCBI Official Symbol             | TYRO3                                  |
| NCBI Official Synonym Symbols    | BYK; Dtk; RSE; Sky; Tif                |

|                            |                                                                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI Protein Information   | tyrosine-protein kinase receptor TYRO3; tyrosine-protein kinase DTK; tyrosine-protein kinase RSE; tyrosine-protein kinase SKY; tyrosine-protein kinase TIF; tyrosine-protein kinase byk |
| UniProt Protein Name       | Tyrosine-protein kinase receptor TYRO3                                                                                                                                                  |
| UniProt Gene Name          | <b>TYRO3</b>                                                                                                                                                                            |
| UniProt Synonym Gene Names | BYK; DTK; RSE; SKY; TIF                                                                                                                                                                 |
| UniProt Entry Name         | TYRO3_HUMAN                                                                                                                                                                             |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
