

## Mouse La-related protein 7 ELISA Kit | Larp7 elisa kit

Mouse La-related protein 7 ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA56577</b> | REACTIVITY<br><b>Mouse</b> |
|------------------------------|----------------------------|

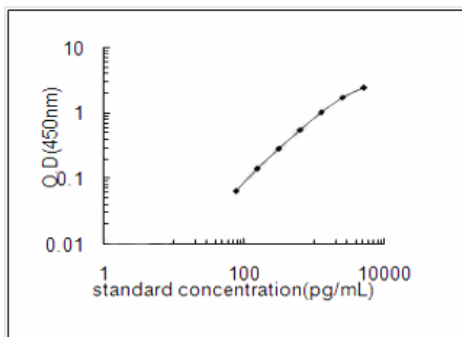

### PRODUCT SYNONYMS

La-related protein 7; Mouse La-related protein 7 ELISA Kit; La ribonucleoprotein domain family member 7; Larp7; D3Wsu161e; Larp7 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 570                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 78-5000 pg/mL                                                       |
| Sensitivity             | 39.23 pg/mL                                                         |
| Intra-Assay CV          | <=8.5%                                                              |
| Inter-Assay CV          | <=10.1%                                                             |
| Recovery                | 100%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                                        |
|---------------------------|--------------------------------------------------------|
| NCBI GI #                 | 110665742                                              |
| NCBI GeneID               | 28036                                                  |
| NCBI Accession #          | NP_613059.2                                            |
| NCBI GenBank Nucleotide # | NM_138593.2                                            |
| UniProt Accession #       | Q05CL8; Q3TSC2; Q8K2Y6; Q8VDW3; Q9CSI2; Q9CSI9; Q9CUQ5 |
| Molecular Weight          | 21,334 Da                                              |

|                                  |                                              |
|----------------------------------|----------------------------------------------|
| NCBI Official Full Name          | la-related protein 7                         |
| NCBI Official Synonym Full Names | La ribonucleoprotein domain family, member 7 |
| NCBI Official Symbol             | Larp7                                        |
| NCBI Official Synonym Symbols    | D3Wsu161e; C330027G06Rik                     |
| NCBI Protein Information         | la-related protein 7                         |
| UniProt Protein Name             | La-related protein 7                         |
| UniProt Gene Name                | <b>Larp7</b>                                 |
| UniProt Synonym Gene Names       | D3Wsu161e                                    |
| UniProt Entry Name               | LARP7_MOUSE                                  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
