

## Rat Signal transducer and activator of transcription 5A ELISA Kit | Stat5a elisa kit

Rat Signal transducer and activator of transcription 5A ELISA Kit

CATALOG #  
**AAA57364**

REACTIVITY  
**Rat**

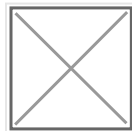

### PRODUCT SYNONYMS

Signal transducer and activator of transcription 5A; Rat Signal transducer and activator of transcription 5A ELISA Kit; Mammary gland factor; Stat5a; Mgf; Stat5a elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Rat                                                                 |
| Sequence Length         | 793                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| NCBI GI #                        | 8394373                                             |
| NCBI GeneID                      | 24918                                               |
| NCBI Accession #                 | NP_058760.1                                         |
| NCBI GenBank Nucleotide #        | NM_017064.1                                         |
| UniProt Accession #              | Q62771                                              |
| Molecular Weight                 | 84,970 Da                                           |
| NCBI Official Full Name          | signal transducer and activator of transcription 5A |
| NCBI Official Synonym Full Names | signal transducer and activator of transcription 5A |
| NCBI Official Symbol             | Stat5a                                              |
| NCBI Official Synonym Symbols    | Stat5                                               |
| NCBI Protein Information         | signal transducer and activator of transcription 5A |
| UniProt Protein Name             | Signal transducer and activator of transcription 5A |
| UniProt Gene Name                | <b>Stat5a</b>                                       |
| UniProt Synonym Gene Names       | Mgf                                                 |
| UniProt Entry Name               | STA5A_RAT                                           |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
