

## Mouse FMS Like Tyrosine Kinase 3 Ligand (Flt3L) ELISA Kit | Flt3L elisa kit

Mouse FMS Like Tyrosine Kinase 3 Ligand (Flt3L) ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA65891</b> | REACTIVITY<br><b>Mouse</b> |
|------------------------------|----------------------------|

### PRODUCT SYNONYMS

FMS Like Tyrosine Kinase 3 Ligand (Flt3L); Mouse FMS Like Tyrosine Kinase 3 Ligand (Flt3L) ELISA Kit; FLT3LG; FLT3-LG; Flt3-L; FL; Fms-Related Tyrosine Kinase 3 ligand; SL cytokine; Flt3L elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                                                                                                                                                      |
| Sequence Length         | 232                                                                                                                                                                                                        |
| Samples                 | Serum, plasma and other biological fluids.                                                                                                                                                                 |
| Assay Type              | Sandwich                                                                                                                                                                                                   |
| Detection Range         | 15.625-1000pg/mL                                                                                                                                                                                           |
| Sensitivity             | 6.9pg/mL                                                                                                                                                                                                   |
| Intra Assay             | CV<10%                                                                                                                                                                                                     |
| Inter Assay             | CV<12%                                                                                                                                                                                                     |
| Preparation and Storage | For unopened kit, all reagents should be kept according to the labels on vials. The TMB Substrate, Wash Buffer, Stop Solution should be stored at 4 degree C. All others should be stored at -20 degree C. |

| UniProt Accession #              | P49772; Q64085                       |
| Molecular Weight                 | 28,259 Da                            |
| NCBI Official Full Name          | fms-related tyrosine kinase 3 ligand |
| NCBI Official Synonym Full Names | FMS-like tyrosine kinase 3 ligand    |
| NCBI Official Symbol             | Flt3l                                |

|                               |                                      |
|-------------------------------|--------------------------------------|
| NCBI Official Synonym Symbols | Ly72L; Flt3lg                        |
| NCBI Protein Information      | fms-related tyrosine kinase 3 ligand |
| UniProt Protein Name          | Fms-related tyrosine kinase 3 ligand |
| UniProt Gene Name             | <b>Flt3lg</b>                        |
| UniProt Synonym Gene Names    | Flt3l; Flt3 ligand; Flt3L            |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
