

## Bovine Parathyroid Hormone Related Protein (PTHrP) ELISA Kit | PTHrP elisa kit

Bovine Parathyroid Hormone Related Protein (PTHrP) ELISA Kit

CATALOG #  
**AAA67399**

REACTIVITY  
**Bovine**

### PRODUCT SYNONYMS

Parathyroid Hormone Related Protein (PTHrP); Bovine Parathyroid Hormone Related Protein (PTHrP) ELISA Kit; PTHLH; HHM; PTHR; PLP; Osteostatin; Parathyroid Hormone Like Hormone; PTHrP elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Bovine                                                                                                                                                                                                     |
| Sequence Length         | 177                                                                                                                                                                                                        |
| Samples                 | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids.                                                                                                      |
| Assay Type              | Sandwich                                                                                                                                                                                                   |
| Detection Range         | 15.625-1000pg/mL                                                                                                                                                                                           |
| Sensitivity             | 6.5pg/mL                                                                                                                                                                                                   |
| Intra Assay             | CV<10%                                                                                                                                                                                                     |
| Inter Assay             | CV<12%                                                                                                                                                                                                     |
| Preparation and Storage | For unopened kit, all reagents should be kept according to the labels on vials. The TMB Substrate, Wash Buffer, Stop Solution should be stored at 4 degree C. All others should be stored at -20 degree C. |

| Molecular Weight          | 20,408 Da                                                                |
| NCBI Official Full Name   | parathyroid hormone-related protein                                      |
| NCBI Official Symbol      | PTHLH                                                                    |

|                               |                                     |
|-------------------------------|-------------------------------------|
| NCBI Official Synonym Symbols | PTHrP                               |
| NCBI Protein Information      | parathyroid hormone-related protein |
| UniProt Protein Name          | Parathyroid hormone-related protein |
| UniProt Gene Name             | <b>PTH1H</b>                        |
| UniProt Synonym Gene Names    | PTH-rP; PTHrP                       |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
