

Human secreted Alpha Klotho (alpha-Klotho) ELISA Kit | alpha-Klotho elisa kit

Human secreted Alpha Klotho (alpha-Klotho) ELISA

CATALOG #
AAA72721

REACTIVITY
Human

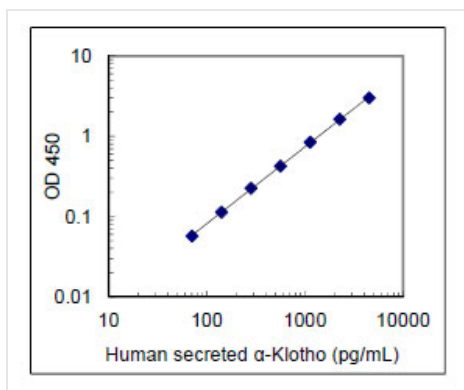

PRODUCT SYNONYMS

secreted Alpha Klotho (alpha-Klotho); Human secreted Alpha Klotho (alpha-Klotho) ELISA; alpha-Klotho elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Human
Assay Type	Sandwich
Detection Range	70.31 ? 4,500 pg/mL
Sensitivity	9.87 pg/mL
Preparation and Storage	Store at 2-8 degree C

Background: This product is for research use only and is not intended for test use.

Principle of the Assay: This kit is a solid phase sandwich ELISA (Enzyme-linked Immunosorbent Assay). As a primary antibody is coated on a plate, samples and standard are added into the wells for 1st reaction. After the reaction, HRP-conjugated secondary antibody is added into the wells for 2nd reaction. After washing away unbound the secondary antibody, Tetra Methyl Benzidine (TMB) is added to the wells and color develops.

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
