

## Mouse IL7 Monoclonal Antibody | anti-IL7 antibody

IL7 antibody

CATALOG #  
**AAA74639**HOST  
**Mouse**

### PRODUCT SYNONYMS

IL7; Monoclonal Antibody; IL7 antibody; Monoclonal IL7; Anti-IL7; pre-B cell factor; IL-7; Interleukin 7; LP-1; Lymphopoietin 1antibody; IL 7; anti-IL7 antibody

### PRODUCT SPECIFICATIONS

|                         |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                       |
| Clonality               | Monoclonal                                                                                                  |
| Isotype                 | IgG1                                                                                                        |
| Clone Number            | M912274                                                                                                     |
| Form/Format             | Sterile filtered and lyophilized from PBS. Reconstitute using sterile water to a concentration of 1.0mg/mL. |
| Sequence Length         | 115                                                                                                         |
| Immunogen               | E. coli-derived recombinant human IL-7                                                                      |
| Preparation and Storage | Upon receipt, store at 4°C short term, -20°C long term. Avoid repeated freeze/thaw.                         |

### ADDITIONAL INFORMATION

|                                                 |                            |
|-------------------------------------------------|----------------------------|
| Product Categories/Family for anti-IL7 antibody | Cytokines & Growth Factors |
|-------------------------------------------------|----------------------------|

### NCBI AND UNIPROT INFORMATION

|                                  |                                                 |
