

RAP recombinant protein

RAP protein (Rat)

CATALOG # AAA75325	HOST E. coli	APPLICATIONS ELISA, SDS-Page, Western Blot
------------------------------	------------------------	--

PRODUCT SYNONYMS

RAP; RAP protein (Rat); Receptor-associated Protein recombinant protein; Rat RAP protein; RAP recombinant protein

PRODUCT SPECIFICATIONS

Host	E. coli
Purity/Purification	> 95% by SDS-PAGE gel and HPLC Analysis
Form/Format	Lyophilized powder. Resonstitute 100ug of distilled water. Final concentration is 1 mg/mL in Rat RAP protein in TBS, pH 7.5, 0.1% BSA, 0.09% NaN ₃ .
Sequence Length	348
Applicable Applications for RAP recombinant protein	ELISA, SDS-PAGE, WB (Western Blot)
Protein Type	Recombinant
Source Note	Rat Rap fusion protein , expressed in E. coli
Biological Significance	Low density lipoprotein receptor-related protein associated protein 1 also known as LRPAP1 or RAP is a chaperone protein which in humans is encoded by the LRPAP1 gene. RAP is involved with trafficking of certain members of the LDL receptor family including LRP1 and LRP2.
Contaminants	Recombinant rat; RAP:c-myc fusion protein.
Grade	Recombinant human protein
Species	Rat
Biohazard Information	Not for human use. Use normal laboratory precautions when handling this reagent. For research purposes only.
Tag/Conjugate	His-myc tag
Preparation and Storage	Ships ambient or refrigerated/frozen. Upon receipt store at 4°C while lyophilized or reconstitute and store at -20°C. Avoid repeat freeze/thaws.

ADDITIONAL INFORMATION

Product Categories/Family for RAP recombinant protein	Cell Biology
---	------------------------------

NCBI AND UNIPROT INFORMATION

NCBI GI #	2661436
UniProt Accession #	O57378
Molecular Weight	40 kDa
NCBI Official Full Name	receptor-associated protein

UniProt Protein Name	Receptor-associated protein
UniProt Gene Name	rap
UniProt Entry Name	O57378_CHICK

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
