| Product Type                                   | Purified Rabbit Anti human PolyClonal Antibody                                                   |
| Target Names                                   | CBLB                                                                                             |
| Santa Cruz Alternative                         | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-1435 / sc-1704 / sc-1705 |
| Preparation and Storage                        | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze                                     |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of paraffin-embedded mouse colon tissue slide using CBLB antibody at dilution of 1:50

#### IP (Immunoprecipitation)

IP result of anti-CBLB (IP: CBLB Antibody, 4ug; Detection: CBLB Antibody 1:300) with HEK-293 cells lysate 3680ug.

**WB (Western Blot)**

Western blot analysis of HEK-293 cells using CBLB antibody at dilution 1:500 incubated at room temperature
