

## Rabbit Interferon gamma ELISA Kit | IFN-gamma elisa kit

Rabbit Interferon gamma ELISA Kit

|                              |                             |
|------------------------------|-----------------------------|
| CATALOG #<br><b>AAA82289</b> | REACTIVITY<br><b>Rabbit</b> |
|------------------------------|-----------------------------|

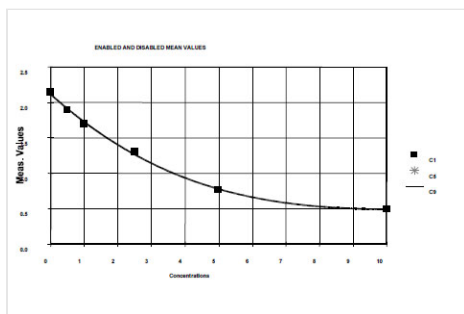

### PRODUCT SYNONYMS

Interferon gamma; Rabbit Interferon gamma ELISA Kit; Rabbit Interferon g ELISA Kit; IFN-gamma elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Rabbit                                                                     |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive or Sandwich                                                    |
| Detection Range            | 50-1000pg/mL                                                               |
| Sensitivity                | 1.0pg/mL                                                                   |
| Highest Standards          | 1000pg/mL                                                                  |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                                   |            |
|---------------------------------------------------|------------|
| Product Categories/Family for IFN-gamma elisa kit | Immunology |
|---------------------------------------------------|------------|

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 56786138    |
| NCBI GeneID               | 3458        |
| NCBI Accession #          | NP_000610.2 |
| NCBI GenBank Nucleotide # | NM_000619.2 |

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| Molecular Weight                 | 19,348 Da                                      |
| NCBI Official Full Name          | interferon gamma                               |
| NCBI Official Synonym Full Names | interferon, gamma                              |
| NCBI Official Symbol             | IFNG                                           |
| NCBI Official Synonym Symbols    | IFG; IFI                                       |
| NCBI Protein Information         | interferon gamma; IFN-gamma; immune interferon |
| UniProt Protein Name             | Interferon gamma                               |
| UniProt Gene Name                | <b>IFNG</b>                                    |
| UniProt Synonym Gene Names       | IFN-gamma                                      |
| UniProt Entry Name               | IFNG_HUMAN                                     |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
