

## Rabbit Peroxisome proliferators activator gamma ELISA Kit | PPAR-gamma elisa kit

Rabbit Peroxisome proliferators activator gamma ELISA Kit

CATALOG #  
**AAA82369**

REACTIVITY  
**Rabbit**

### PRODUCT SYNONYMS

Peroxisome proliferators activator gamma; Rabbit Peroxisome proliferators activator gamma ELISA Kit; Rabbit Peroxisome proliferators activator g ELISA Kit; PPAR-gamma elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Rabbit                                                                     |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive or Sandwich                                                    |
| Detection Range            | 0.5-10ng/mL                                                                |
| Sensitivity                | 0.1ng/mL                                                                   |
| Highest Standards          | 10ng/mL                                                                    |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

| NCBI GeneID                      | <a href="#">5468</a>                                                                                                                                                            |
| Molecular Weight                 | 21,580 Da                                                                                                                                                                       |
| NCBI Official Full Name          | Peroxisome proliferator-activated receptor gamma                                                                                                                                |
| NCBI Official Synonym Full Names | peroxisome proliferator-activated receptor gamma                                                                                                                                |
| NCBI Official Symbol             | PPARG                                                                                                                                                                           |
| NCBI Official Synonym Symbols    | GLM1; CIMT1; NR1C3; PPARG1; PPARG2; PPARGgamma                                                                                                                                  |
| NCBI Protein Information         | peroxisome proliferator-activated receptor gamma; PPAR-gamma; nuclear receptor subfamily 1 group C member 3; peroxisome proliferator-activated nuclear receptor gamma variant 1 |
| UniProt Protein Name             | Peroxisome proliferator-activated receptor gamma                                                                                                                                |
| UniProt Gene Name                | <b>PPARG</b>                                                                                                                                                                    |

|                            |                   |
|----------------------------|-------------------|
| UniProt Synonym Gene Names | NR1C3; PPAR-gamma |
| UniProt Entry Name         | PPARG_HUMAN       |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
