

## Rabbit Creatine Kinase MB isoenzyme ELISA Kit | CKMB elisa kit

Rabbit Creatine Kinase MB isoenzyme ELISA Kit

|                              |                             |
|------------------------------|-----------------------------|
| CATALOG #<br><b>AAA82439</b> | REACTIVITY<br><b>Rabbit</b> |
|------------------------------|-----------------------------|

### PRODUCT SYNONYMS

Creatine Kinase MB isoenzyme; Rabbit Creatine Kinase MB isoenzyme ELISA Kit; CKMB elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Competitive                                                                |
| Detection Range         | 1.0-25ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                              |                     |
|----------------------------------------------|---------------------|
| Product Categories/Family for CKMB elisa kit | Signal Transduction |
|----------------------------------------------|---------------------|

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 6978661     |
| NCBI GeneID               | 24265       |
| NCBI Accession #          | NP_036662.1 |
| NCBI GenBank Nucleotide # | NM_012530.2 |
| Molecular Weight          | 43,045 Da   |

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| NCBI Official Full Name          | creatine kinase M-type                                |
| NCBI Official Synonym Full Names | creatine kinase, muscle                               |
| NCBI Official Symbol             | Ckm                                                   |
| NCBI Official Synonym Symbols    | Ckmm                                                  |
| NCBI Protein Information         | creatine kinase M-type; M-CK; creatine kinase M chain |
| UniProt Protein Name             | Creatine kinase M-type                                |
| UniProt Gene Name                | <b>Ckm</b>                                            |
| UniProt Synonym Gene Names       | Ckmm                                                  |
| UniProt Entry Name               | KCRM_RAT                                              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
