

## Rat Glycoprotein V, Platelet ELISA Kit | GP5 elisa kit

Rat Glycoprotein V, Platelet ELISA Kit

CATALOG #  
**AAA82528**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Glycoprotein V; Platelet; Rat Glycoprotein V; Platelet ELISA Kit; GP5 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rat                                                                        |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 2.5-50ng/mL                                                                |
| Sensitivity             | 0.1ng/ml                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 34419568    |
| NCBI GeneID               | 2545812     |
| NCBI Accession #          | NP_899581.1 |
| NCBI GenBank Nucleotide # | NC_005083.2 |
| Molecular Weight          | 46,083 Da   |
| NCBI Official Full Name   | gp5         |

|                            |              |
|----------------------------|--------------|
| NCBI Protein Information   | gp5          |
| UniProt Protein Name       | Gp5          |
| UniProt Synonym Gene Names | KVP40.0335   |
| UniProt Entry Name         | Q6WHG9_BPKVM |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
