

## Human Mannma binding protein/mannan binding lectin ELISA Kit | MBP/MBL elisa kit

Human Mannma binding protein/mannan binding lectin ELISA Kit

CATALOG #  
**AAA82629**

REACTIVITY  
**Human**

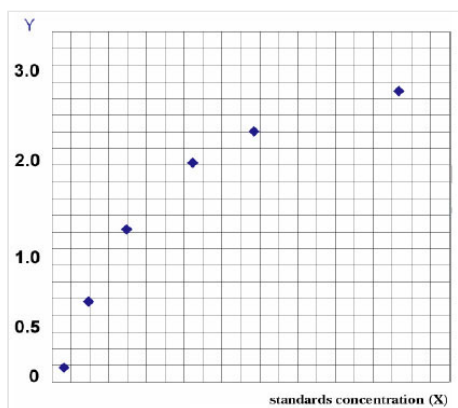

### PRODUCT SYNONYMS

Mannma binding protein/mannan binding lectin; Human Mannma binding protein/mannan binding lectin ELISA Kit; MBP/MBL elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Human                                                                      |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive or Sandwich                                                    |
| Detection Range            | 25-500pg/mL                                                                |
| Sensitivity                | 1.0pg/mL                                                                   |
| Highest Standards          | 2500pg/mL                                                                  |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |
