

## Rabbit Thyroxine ELISA Kit | T4 elisa kit

Rabbit Thyroxine ELISA Kit

CATALOG #  
**AAA82996**

REACTIVITY  
**Rabbit**

### PRODUCT SYNONYMS

Thyroxine; Rabbit Thyroxine ELISA Kit; T4 elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Rabbit                                                                     |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive                                                                |
| Detection Range            | 0.5-10 <sup>2</sup> g/mL                                                   |
| Sensitivity                | 0.1ug/mL                                                                   |
| Highest Standards          | 10ug/mL                                                                    |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

### IMAGES

Standard Curve (Sample)

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
