

## Rat Gastrin ELISA Kit | GT elisa kit

Rat Gastrin ELISA Kit

|                              |                          |
|------------------------------|--------------------------|
| CATALOG #<br><b>AAA83150</b> | REACTIVITY<br><b>Rat</b> |
|------------------------------|--------------------------|

### PRODUCT SYNONYMS

Gastrin; Rat Gastrin ELISA Kit; GT elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Rat                                                                        |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive                                                                |
| Detection Range            | 50-1000pg/mL                                                               |
| Sensitivity                | 1.0pg/ml                                                                   |
| Highest Standards          | 1000pg/mL                                                                  |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                            |                |
|--------------------------------------------|----------------|
| Product Categories/Family for GT elisa kit | Cardiovascular |
|--------------------------------------------|----------------|

### NCBI AND UNIPROT INFORMATION

|                  |           |
|------------------|-----------|
| NCBI GI #        | 182991    |
| NCBI GeneID      | 2520      |
| Molecular Weight | 11,394 Da |

|                                  |                             |
|----------------------------------|-----------------------------|
| NCBI Official Full Name          | gastrin                     |
| NCBI Official Synonym Full Names | gastrin                     |
| NCBI Official Symbol             | GAST                        |
| NCBI Official Synonym Symbols    | GAS                         |
| NCBI Protein Information         | gastrin; preprogastrin      |
| UniProt Protein Name             | Gastrin                     |
| UniProt Gene Name                | <b>GAST</b>                 |
| UniProt Synonym Gene Names       | GAS; G52; G34; G17; G14; G6 |
| UniProt Entry Name               | GAST_HUMAN                  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
