

## Rat Elastase 4 ELISA Kit | ELA4 elisa kit

Rat Elastase 4 ELISA Kit

CATALOG #  
**AAA83210**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Elastase 4; Rat Elastase 4 ELISA Kit; ELA4 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rat                                                                        |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 2.5-50ng/mL                                                                |
| Sensitivity             | 1.0ng/ml                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 62526043    |
| NCBI GeneID               | 11330       |
| NCBI Accession #          | NP_009203.2 |
| NCBI GenBank Nucleotide # | NM_007272.2 |
| Molecular Weight          | 29,484 Da   |

|                                  |                                                                                     |
|----------------------------------|-------------------------------------------------------------------------------------|
| NCBI Official Full Name          | chymotrypsin-C preproprotein                                                        |
| NCBI Official Synonym Full Names | chymotrypsin C (caldecrin)                                                          |
| NCBI Official Symbol             | CTRC                                                                                |
| NCBI Official Synonym Symbols    | CLCR; ELA4                                                                          |
| NCBI Protein Information         | chymotrypsin-C; caldecrin; elastase 4; elastase IV; serum calcium decreasing factor |
| UniProt Protein Name             | Chymotrypsin-C                                                                      |
| UniProt Gene Name                | <b>CTRC</b>                                                                         |
| UniProt Synonym Gene Names       | CLCR                                                                                |
| UniProt Entry Name               | CTRC_HUMAN                                                                          |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
