

## Mouse Eosinophil cationic protein ELISA Kit | ECP elisa kit

Mouse Eosinophil cationic protein ELISA Kit

CATALOG #  
**AAA83383**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Eosinophil cationic protein; Mouse Eosinophil cationic protein ELISA Kit; ECP elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                      |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 1.0-25ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                                  |                                 |
|----------------------------------|---------------------------------|
| NCBI GI #                        | 45243507                        |
| NCBI GeneID                      | 6037                            |
| NCBI Accession #                 | NP_002926.2                     |
| NCBI GenBank Nucleotide #        | NM_002935.2                     |
| Molecular Weight                 | 18,385 Da                       |
| NCBI Official Full Name          | eosinophil cationic protein     |
| NCBI Official Synonym Full Names | ribonuclease, RNase A family, 3 |
| NCBI Official Symbol             | RNASE3                          |

|                               |                                                                              |
|-------------------------------|------------------------------------------------------------------------------|
| NCBI Official Synonym Symbols | ECP; RNS3                                                                    |
| NCBI Protein Information      | eosinophil cationic protein; RNase 3; ribonuclease 3; cytotoxic ribonuclease |
| UniProt Protein Name          | Eosinophil cationic protein                                                  |
| UniProt Gene Name             | <b>RNASE3</b>                                                                |
| UniProt Synonym Gene Names    | ECP; RNS3; ECP; RNase 3                                                      |
| UniProt Entry Name            | ECP_HUMAN                                                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
