

## Rabbit Mucosal vascular addressin cell adhesion molecule 1 ELISA Kit | MAdCAM-1 elisa kit

Rabbit Mucosal vascular addressin cell adhesion molecule 1 ELISA Kit

|                              |                             |
|------------------------------|-----------------------------|
| CATALOG #<br><b>AAA83709</b> | REACTIVITY<br><b>Rabbit</b> |
|------------------------------|-----------------------------|

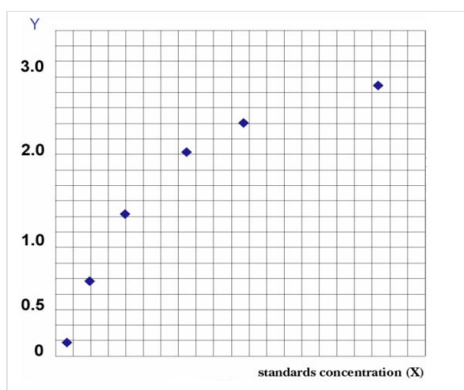

### PRODUCT SYNONYMS

Mucosal vascular addressin cell adhesion molecule 1; Rabbit Mucosal vascular addressin cell adhesion molecule 1 ELISA Kit; MAdCAM-1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 1.0-25ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 109633022   |
| NCBI GeneID               | 8174        |
| NCBI Accession #          | NP_570116.2 |
| NCBI GenBank Nucleotide # | NM_130760.2 |

|                                         |                                                                                                             |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Molecular Weight</b>                 | 21,247 Da                                                                                                   |
| <b>NCBI Official Full Name</b>          | mucosal addressin cell adhesion molecule 1 isoform a                                                        |
| <b>NCBI Official Synonym Full Names</b> | mucosal vascular addressin cell adhesion molecule 1                                                         |
| <b>NCBI Official Symbol</b>             | MADCAM1                                                                                                     |
| <b>NCBI Official Synonym Symbols</b>    | MACAM1                                                                                                      |
| <b>NCBI Protein Information</b>         | mucosal addressin cell adhesion molecule 1; MAdCAM-1; hMAdCAM-1; mucosal addressin cell adhesion molecule-1 |
| <b>UniProt Protein Name</b>             | Mucosal addressin cell adhesion molecule 1                                                                  |
| <b>UniProt Gene Name</b>                | <b>MADCAM1</b>                                                                                              |
| <b>UniProt Synonym Gene Names</b>       | MAdCAM-1; hMAdCAM-1                                                                                         |
| <b>UniProt Entry Name</b>               | MADCA_HUMAN                                                                                                 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
