

## Guinea Pig Interleukin 12 p40 ELISA Kit | IL-12 p40 elisa kit

Guinea pig Interleukin 12 p40 ELISA Kit

 CATALOG #  
**AAA83828**

 REACTIVITY  
**Guinea Pig**

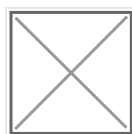

### PRODUCT SYNONYMS

Interleukin 12 p40; Guinea pig Interleukin 12 p40 ELISA Kit; IL-12 p40 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Guinea Pig                                                                 |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

| Molecular Weight                 | 38,235 Da                                                                                                                                     |
| NCBI Official Full Name          | interleukin-12 subunit beta                                                                                                                   |
| NCBI Official Synonym Full Names | interleukin 12b                                                                                                                               |
| NCBI Official Symbol             | IL12b                                                                                                                                         |
| NCBI Official Synonym Symbols    | p40; IL-12b; IL12p40; IL-12p40                                                                                                                |
| NCBI Protein Information         | interleukin-12 subunit beta; CLMF p40; IL-12 p40; IL-12 subunit p40; IL-23 subunit p40; cytotoxic lymphocyte maturation factor 40 kDa subunit |
| UniProt Protein Name             | Interleukin-12 subunit beta                                                                                                                   |
| UniProt Gene Name                | <b>IL12b</b>                                                                                                                                  |

|                            |                  |
|----------------------------|------------------|
| UniProt Synonym Gene Names | IL-12B; CLMF p40 |
| UniProt Entry Name         | IL12B_MOUSE      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
