

## Mouse Tissue factor pathway inhibitor ELISA Kit | TFPI elisa kit

Mouse Tissue factor pathway inhibitor ELISA Kit

CATALOG #  
**AAA84508**

REACTIVITY  
**Mouse**

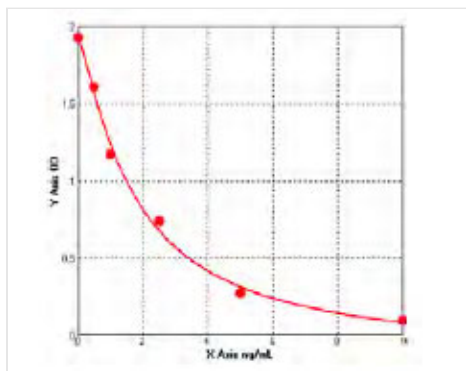

### PRODUCT SYNONYMS

Tissue factor pathway inhibitor; Mouse Tissue factor pathway inhibitor ELISA Kit; TFPI elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                      |
| Samples                 | Serum, plasma, cell culture supernatants, body fluid and tissue homogenate |
| Sensitivity             | 0.1 ng/mL                                                                  |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                                |                                                                                                                                                                     |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for TFPI elisa kit | Intended Uses: This TFPI ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Mouse TFPI. This ELISA kit for research use only! |
| Product Categories/Family for TFPI elisa kit   | Cardiovascular                                                                                                                                                      |

### NCBI AND UNIPROT INFORMATION

|                           |                                           |
|---------------------------|-------------------------------------------|
| NCBI GI #                 | 73760409                                  |
| NCBI GeneID               | 7035                                      |
| NCBI Accession #          | NP_001027452.1                            |
| NCBI GenBank Nucleotide # | NM_001032281.2                            |
| Molecular Weight          | 28,653 Da                                 |
| NCBI Official Full Name   | tissue factor pathway inhibitor isoform b |

|                                  |                                                                                |
|----------------------------------|--------------------------------------------------------------------------------|
| NCBI Official Synonym Full Names | tissue factor pathway inhibitor (lipoprotein-associated coagulation inhibitor) |
| NCBI Official Symbol             | TFPI                                                                           |
| NCBI Official Synonym Symbols    | EPI; TFI; LACI; TFPI1                                                          |
| NCBI Protein Information         | tissue factor pathway inhibitor; anti-convertin; extrinsic pathway inhibitor   |
| UniProt Protein Name             | Tissue factor pathway inhibitor                                                |
| UniProt Gene Name                | <b>TFPI</b>                                                                    |
| UniProt Synonym Gene Names       | LACI; TFPI1; TFPI; EPI; LACI                                                   |
| UniProt Entry Name               | TFPI1_HUMAN                                                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
