

## Mouse Interleukin 1 Receptor antagonist ELISA Kit | IL1RA elisa kit

Mouse Interleukin 1 Receptor antagonist ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA84799</b> | REACTIVITY<br><b>Mouse</b> |
|------------------------------|----------------------------|

### PRODUCT SYNONYMS

Interleukin 1 Receptor antagonist; Mouse Interleukin 1 Receptor antagonist ELISA Kit; IL1RA elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                      |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 50-1000pg/mL                                                               |
| Sensitivity             | 1.0pg/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                               |            |
|-----------------------------------------------|------------|
| Product Categories/Family for IL1RA elisa kit | Immunology |
|-----------------------------------------------|------------|

### NCBI AND UNIPROT INFORMATION

|                                  |                                   |
|----------------------------------|-----------------------------------|
| NCBI GI #                        | 186386                            |
| NCBI GeneID                      | 3557                              |
| Molecular Weight                 | 16,142 Da                         |
| NCBI Official Full Name          | interleukin 1 receptor antagonist |
| NCBI Official Synonym Full Names | interleukin 1 receptor antagonist |

|                               |                                                                                                                                                                                                                                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI Official Symbol          | IL1RN                                                                                                                                                                                                                          |
| NCBI Official Synonym Symbols | DIRA; IRAP; IL1F3; IL1RA; MVCD4; IL-1RN; IL-1ra; IL-1ra3; ICIL-1RA                                                                                                                                                             |
| NCBI Protein Information      | interleukin-1 receptor antagonist protein; IL1 inhibitor; IL1RN (IL1F3); type II interleukin-1 receptor antagonist; intracellular IL-1 receptor antagonist type II; intracellular interleukin-1 receptor antagonist (icIL-1ra) |
| UniProt Protein Name          | Interleukin-1 receptor antagonist protein                                                                                                                                                                                      |
| UniProt Gene Name             | <b>IL1RN</b>                                                                                                                                                                                                                   |
| UniProt Synonym Gene Names    | IL1F3; IL1RA; IL-1RN; IL-1ra; IRAP                                                                                                                                                                                             |
| UniProt Entry Name            | IL1RA_HUMAN                                                                                                                                                                                                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
