

## Rabbit Relaxin ELISA Kit | RLT elisa kit

Rabbit Relaxin ELISA Kit

CATALOG #  
**AAA84852**

REACTIVITY  
**Rabbit**

### PRODUCT SYNONYMS

Relaxin; Rabbit Relaxin ELISA Kit; RLT elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Competitive                                                                |
| Detection Range         | 100-2500pg/mL                                                              |
| Sensitivity             | 1.0pg/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

Product Categories/Family for RLT elisa kit [Signal Transduction](#)

### NCBI AND UNIPROT INFORMATION

|                                  |           |
|----------------------------------|-----------|
| NCBI GI #                        | 490056    |
| NCBI GeneID                      | 6013      |
| Molecular Weight                 | 13,011 Da |
| NCBI Official Full Name          | relaxin   |
| NCBI Official Synonym Full Names | relaxin 1 |

|                               |                                            |
|-------------------------------|--------------------------------------------|
| NCBI Official Symbol          | RLN1                                       |
| NCBI Official Synonym Symbols | H1; H1RLX; RLXH1; bA12D24.3.1; bA12D24.3.2 |
| NCBI Protein Information      | prorelaxin H1; preprorelaxin H1            |
| UniProt Protein Name          | Prorelaxin H1                              |
| UniProt Gene Name             | <b>RLN1</b>                                |
| UniProt Entry Name            | REL1_HUMAN                                 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
