

## Rabbit Interleukin 9 ELISA Kit | IL-9 elisa kit

Rabbit Interleukin 9 ELISA Kit

CATALOG #  
**AAA85066**

REACTIVITY  
**Rabbit**

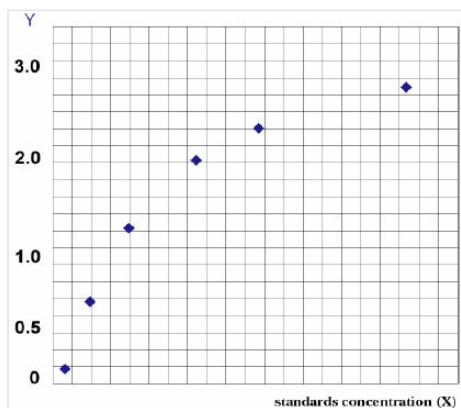

### PRODUCT SYNONYMS

Interleukin 9; Rabbit Interleukin 9 ELISA Kit; IL-9 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 2.5-50ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

Product Categories/Family for IL-9 elisa kit  
**Immunology**

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 10834980    |
| NCBI GeneID               | 3578        |
| NCBI Accession #          | NP_000581.1 |
| NCBI GenBank Nucleotide # | NM_000590.1 |
| Molecular Weight          | 15,909 Da   |

|                                  |                                                                                                                                                                     |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI Official Full Name          | interleukin-9                                                                                                                                                       |
| NCBI Official Synonym Full Names | interleukin 9                                                                                                                                                       |
| NCBI Official Symbol             | IL9                                                                                                                                                                 |
| NCBI Official Synonym Symbols    | P40; HP40; IL-9                                                                                                                                                     |
| NCBI Protein Information         | interleukin-9; cytokine P40; p40 cytokine; T-cell growth factor p40; p40 T-cell and mast cell growth factor; homolog of mouse T cell and mast cell growth factor 40 |
| UniProt Protein Name             | Interleukin-9                                                                                                                                                       |
| UniProt Gene Name                | <b>IL9</b>                                                                                                                                                          |
| UniProt Synonym Gene Names       | IL-9                                                                                                                                                                |
| UniProt Entry Name               | IL9_HUMAN                                                                                                                                                           |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
