

## Rat Peptide YY ELISA Kit | PYY elisa kit

Rat Peptide YY ELISA Kit

CATALOG #  
**AAA85180**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Peptide YY; Rat Peptide YY ELISA Kit; PYY elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Rat                                                                        |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive                                                                |
| Detection Range            | 0.5-10ng/mL                                                                |
| Sensitivity                | 0.1ng/ml                                                                   |
| Highest Standards          | 10ng/mL                                                                    |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                         |                        |
|-------------------------|------------------------|
| NCBI GI #               | 49457254               |
| NCBI GeneID             | 5697                   |
| UniProt Accession #     | P10082; Q5U5Q6; Q6FGH8 |
| Molecular Weight        | 10,360 Da              |
| NCBI Official Full Name | PYY                    |

|                                  |                                                   |
|----------------------------------|---------------------------------------------------|
| NCBI Official Synonym Full Names | peptide YY                                        |
| NCBI Official Symbol             | PYY                                               |
| NCBI Official Synonym Symbols    | PYY1; PYY-I                                       |
| NCBI Protein Information         | peptide YY; prepro-PYY; peptide tyrosine tyrosine |
| UniProt Protein Name             | Peptide YY                                        |
| UniProt Gene Name                | <b>PYY</b>                                        |
| UniProt Synonym Gene Names       | PYY                                               |
| UniProt Entry Name               | PYY_HUMAN                                         |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
