

## Rabbit Dickkopf Related Protein 2 ELISA Kit | DKK2 elisa kit

Rabbit Dickkopf Related Protein 2 ELISA Kit

|                              |                             |
|------------------------------|-----------------------------|
| CATALOG #<br><b>AAA85877</b> | REACTIVITY<br><b>Rabbit</b> |
|------------------------------|-----------------------------|

### PRODUCT SYNONYMS

Dickkopf Related Protein 2; Rabbit Dickkopf Related Protein 2 ELISA Kit; DKK2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Competitive                                                                |
| Detection Range         | 0.5-10ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                              |            |
|----------------------------------------------|------------|
| Product Categories/Family for DKK2 elisa kit | Immunology |
|----------------------------------------------|------------|

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 7657023     |
| NCBI GeneID               | 27123       |
| NCBI Accession #          | NP_055236.1 |
| NCBI GenBank Nucleotide # | NM_014421.2 |
| Molecular Weight          | 28,447 Da   |

|                                  |                                                                                                                    |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------|
| NCBI Official Full Name          | dickkopf-related protein 2                                                                                         |
| NCBI Official Synonym Full Names | dickkopf WNT signaling pathway inhibitor 2                                                                         |
| NCBI Official Symbol             | DKK2                                                                                                               |
| NCBI Official Synonym Symbols    | DKK-2                                                                                                              |
| NCBI Protein Information         | dickkopf-related protein 2; hDkk-2; dickkopf-2; dickkopf 2 homolog; dickkopf homolog 2; dickkopf related protein-2 |
| UniProt Protein Name             | Dickkopf-related protein 2                                                                                         |
| UniProt Gene Name                | <b>DKK2</b>                                                                                                        |
| UniProt Synonym Gene Names       | UNQ682/PRO1316; Dickkopf-2; Dkk-2; hDkk-2                                                                          |
| UniProt Entry Name               | DKK2_HUMAN                                                                                                         |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
