

## Mouse B-Lymphocyte Chemoattractant 1 ELISA Kit | BLC1 elisa kit

Mouse B-Lymphocyte Chemoattractant 1 ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA85945</b> | REACTIVITY<br><b>Mouse</b> |
|------------------------------|----------------------------|

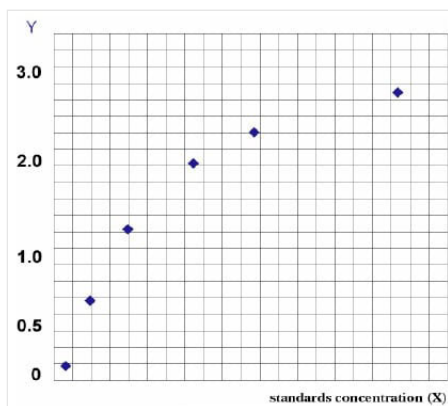

### PRODUCT SYNONYMS

B-Lymphocyte Chemoattractant 1; Mouse B-Lymphocyte Chemoattractant 1 ELISA Kit; BLC1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                      |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Sandwich                                                                   |
| Detection Range         | 50-1000pg/mL                                                               |
| Sensitivity             | 1.0pg/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                              |            |
|----------------------------------------------|------------|
| Product Categories/Family for BLC1 elisa kit | Immunology |
|----------------------------------------------|------------|

### NCBI AND UNIPROT INFORMATION

|                         |            |
|-------------------------|------------|
| NCBI GI #               | 229561847  |
| Molecular Weight        | 19,976 Da  |
| NCBI Official Full Name | Blc1       |
| UniProt Protein Name    | Blc        |
| UniProt Gene Name       | <b>blc</b> |

|                            |                                                                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt Synonym Gene Names | b1c1; b1c1-1; b1c1-2; BU65_04595; KPCE_052; NDM1Dok01_N0092; pAPEC1990_61_75; pAR060302_0085; pAR060302_82; peH4H_0074; peH4H_0082; pNDM102337_85; pNDM10505_85 |
| UniProt Entry Name         | B6VP23_ECOLX                                                                                                                                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
