

## Human Hepatic lipase ELISA Kit | HL elisa kit

Human Hepatic lipase ELISA Kit

CATALOG #  
**AAA86009**

REACTIVITY  
**Human**

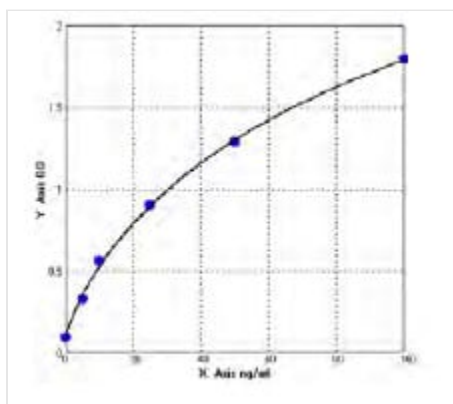

### PRODUCT SYNONYMS

Hepatic lipase; Human Hepatic lipase ELISA Kit; HL elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Human                                                                      |
| Samples                 | Serum, plasma, cell culture supernatants, body fluid and tissue homogenate |
| Sensitivity             | 1.0 ng/mL                                                                  |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

Related Product Information for HL elisa kit

Intended Uses: This HLP ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Human HLP. This ELISA kit for research use only!

### NCBI AND UNIPROT INFORMATION

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI GI #                        | 194097335                      |
| NCBI GeneID                      | 3990                           |
| NCBI Accession #                 | NP_000227.2                    |
| NCBI GenBank Nucleotide #        | NM_000236.2                    |
| Molecular Weight                 | 55,914 Da                      |
| NCBI Official Full Name          | hepatic triacylglycerol lipase |
| NCBI Official Synonym Full Names | lipase, hepatic                |

|                               |                                                                 |
|-------------------------------|-----------------------------------------------------------------|
| NCBI Official Symbol          | LIPC                                                            |
| NCBI Official Synonym Symbols | HL; HTGL; LIPH; HDLCQ12                                         |
| NCBI Protein Information      | hepatic triacylglycerol lipase; hepatic lipase; lipase member C |
| UniProt Protein Name          | Hepatic triacylglycerol lipase                                  |
| UniProt Gene Name             | <b>LIPC</b>                                                     |
| UniProt Synonym Gene Names    | HTGL; HL; Hepatic lipase                                        |
| UniProt Entry Name            | LIPC_HUMAN                                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
