

Rat Soluble Vascular cellular adhesion molecule 1 ELISA Kit | Svcam-1 elisa kit

Rat Soluble Vascular cellular adhesion molecule 1 ELISA Kit

CATALOG #
AAA87482

REACTIVITY
Rat

PRODUCT SYNONYMS

Soluble Vascular cellular adhesion molecule 1; Rat Soluble Vascular cellular adhesion molecule 1 ELISA Kit; Svcam-1 elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Rat
Samples	Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate
Assay Type	Sandwich
Detection Range	5.0-100ng/mL
Sensitivity	1.0ng/ml
Intended Uses	This SVCAM-1 ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Rat SVCAM-1. This ELISA kit for research use only, not for therapeutic applications!
Preparation and Storage	Store all reagents at 2-8 degree C.

ADDITIONAL INFORMATION

Related Product Information for Svcam-1 elisa kit

Principle of the Assay: SVCAM-1 ELISA kit applies the competitive enzyme immunoassay technique utilizing a monoclonal anti-SVCAM-1 antibody and an SVCAM-1-HRP conjugate. The assay sample and buffer are incubated together with SVCAM-1-HRP conjugate in pre-coated plate for one hour. After the incubation period, the wells are decanted and washed five times. The wells are then incubated with a substrate for HRP enzyme. The product of the enzyme-substrate reaction forms a blue colored complex. Finally, a stop solution is added to stop the reaction, which will then turn the solution yellow. The intensity of color is measured spectrophotometrically at 450nm in a microplate reader. The intensity of the color is inversely proportional to the SVCAM-1 concentration since SVCAM-1 from samples and SVCAM-1-HRP conjugate compete for the anti-SVCAM-1 antibody binding site. Since the number of sites is limited, as more sites are occupied by SVCAM-1 from the sample, fewer sites are left to bind SVCAM-1-HRP conjugate. A standard curve is plotted relating the intensity of the color (O.D.) to the concentration of standards. The SVCAM-1 concentration in each sample is interpolated from this standard curve.
