

## Mouse Vitamin D Binding Protein ELISA Kit | DBP elisa kit

Mouse Vitamin D Binding Protein ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA87865</b> | REACTIVITY<br><b>Mouse</b> |
|------------------------------|----------------------------|

### PRODUCT SYNONYMS

Vitamin D Binding Protein; Mouse Vitamin D Binding Protein ELISA Kit; DBP elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Mouse                                                                      |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive                                                                |
| Detection Range            | 5.0-100ng/mL                                                               |
| Sensitivity                | 1.0ng/mL                                                                   |
| Highest Standards          | 100ng/mL                                                                   |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 32698607    |
| NCBI GeneID               | 1463411     |
| NCBI Accession #          | NP_872522.1 |
| NCBI GenBank Nucleotide # | NC_005038.1 |
| Molecular Weight          | 38,532 Da   |
| NCBI Official Full Name   | dbp         |
| NCBI Official Symbol      | dbp         |
| NCBI Protein Information  | dbp         |

|                      |             |
|----------------------|-------------|
| UniProt Protein Name | Dbp         |
| UniProt Gene Name    | dbp         |
| UniProt Entry Name   | Q7T9U7_GVAO |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
