

## Rabbit Suppressors Of Cytokine Signaling 3 ELISA Kit | SOCS3 elisa kit

Rabbit Suppressors Of Cytokine Signaling 3 ELISA Kit

CATALOG #  
**AAA87898**

REACTIVITY  
**Rabbit**

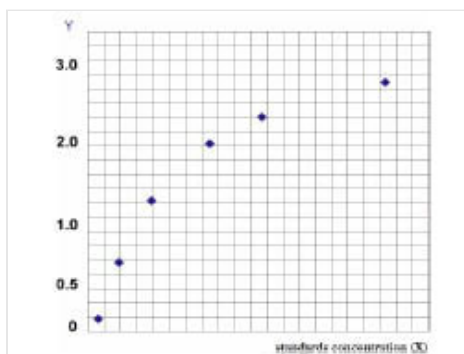

### PRODUCT SYNONYMS

Suppressors Of Cytokine Signaling 3; Rabbit Suppressors Of Cytokine Signaling 3 ELISA Kit; SOCS3 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Competitive                                                                |
| Detection Range         | 0.5-10ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### NCBI AND UNIPROT INFORMATION

|                           |                                    |
|---------------------------|------------------------------------|
| NCBI GI #                 | <a href="#">45439352</a>           |
| NCBI GeneID               | <a href="#">9021</a>               |
| NCBI Accession #          | <a href="#">NP_003946.3</a>        |
| NCBI GenBank Nucleotide # | <a href="#">NM_003955.4</a>        |
| Molecular Weight          | 24,770 Da                          |
| NCBI Official Full Name   | suppressor of cytokine signaling 3 |

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|
| NCBI Official Synonym Full Names | suppressor of cytokine signaling 3                                                                  |
| NCBI Official Symbol             | SOCS3                                                                                               |
| NCBI Official Synonym Symbols    | CIS3; SSI3; ATOD4; Cish3; SSI-3; SOCS-3                                                             |
| NCBI Protein Information         | suppressor of cytokine signaling 3; STAT-induced STAT inhibitor 3; cytokine-inducible SH2 protein 3 |
| UniProt Protein Name             | Suppressor of cytokine signaling 3                                                                  |
| UniProt Gene Name                | <b>SOCS3</b>                                                                                        |
| UniProt Synonym Gene Names       | CIS3; SSI3; SOCS-3; CIS-3; SSI-3                                                                    |
| UniProt Entry Name               | SOCS3_HUMAN                                                                                         |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
