

Sheep Pyruvate Dehydrogenase Alpha ELISA Kit | PDHa elisa kit

Sheep Pyruvate Dehydrogenase Alpha ELISA Kit

CATALOG #
AAA90878

REACTIVITY
Sheep

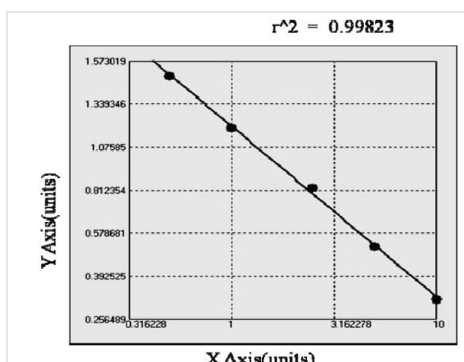

PRODUCT SYNONYMS

Pyruvate Dehydrogenase Alpha; Sheep Pyruvate Dehydrogenase Alpha ELISA Kit; PDHa elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Sheep
Samples	Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate
Assay Type	Competitive
Sensitivity	0.1 ng/mL.
Preparation and Storage	Store all reagents at 2-8 degree C.

ADDITIONAL INFORMATION

Related Product Information for PDHa elisa kit

Intended Uses: This PDHa ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Sheep PDHa. This ELISA kit for research use only!

Principle of the Assay: PDHa ELISA kit applies the competitive enzyme immunoassay technique utilizing a monoclonal anti-PDHa antibody and an PDHa-HRP conjugate. The assay sample and buffer are incubated together with PDHa-HRP conjugate in pre-coated plate for one hour. After the incubation period, the wells are decanted and washed five times. The wells are then incubated with a substrate for HRP enzyme. The product of the enzyme-substrate reaction forms a blue colored complex. Finally, a stop solution is added to stop the reaction, which will then turn the solution yellow. The intensity of color is measured spectrophotometrically at 450nm in a microplate reader. The intensity of the color is inversely proportional to the PDHa concentration since PDHa from samples and PDHa-HRP conjugate compete for the anti-PDHa antibody binding site. Since the number of sites is limited, as more sites are occupied by PDHa from the sample, fewer sites are left to bind PDHa-HRP conjugate. A standard curve is plotted relating the intensity of the color (O.D.) to the concentration of standards. The PDHa concentration in each sample is interpolated from this standard curve.

NCBI AND UNIPROT INFORMATION

NCBI GI #	41408407
NCBI GeneID	2721718
NCBI Accession #	NP_961243.1
NCBI GenBank Nucleotide #	NC_002944.2
NCBI Official Full Name	PdhA
NCBI Official Symbol	pdhA
NCBI Protein Information	PdhA

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
