

Bovine Chromogranin A ELISA Kit | CHGA elisa kit

Bovine Chromogranin A ELISA Kit

CATALOG #
AAA91198

REACTIVITY
Bovine

PRODUCT SYNONYMS

Chromogranin A; Bovine Chromogranin A ELISA Kit; CHGA elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Bovine
Samples	Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate
Assay Type	Competitive
Detection Range	250-5000pg/ml
Sensitivity	1.0pg/ml
Preparation and Storage	Store all reagents at 2-8 degree C.

Intended Uses: This CHGA ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Bovine CHGA. This ELISA kit for research use only!

Principle of the Assay: CHGA ELISA kit applies the competitive enzyme immunoassay technique utilizing a monoclonal anti-CHGA antibody and an CHGA-HRP conjugate. The assay sample and buffer are incubated together with CHGA-HRP conjugate in pre-coated plate for one hour. After the incubation period, the wells are decanted and washed five times. The wells are then incubated with a substrate for HRP enzyme. The product of the enzyme-substrate reaction forms a blue colored complex. Finally, a stop solution is added to stop the reaction, which will then turn the solution yellow. The intensity of color is measured spectrophotometrically at 450nm in a microplate reader. The intensity of the color is inversely proportional to the CHGA concentration since CHGA from samples and CHGA-HRP conjugate compete for the anti-CHGA antibody binding site. Since the number of sites is limited, as more sites are occupied by CHGA from the sample, fewer sites are left to bind CHGA-HRP conjugate. A standard curve is plotted relating the intensity of the color (O.D.) to the concentration of standards. The CHGA concentration in each sample is interpolated from this standard curve.

NCBI AND UNIPROT INFORMATION

NCBI GI #	4502805
NCBI GeneID	1113
NCBI Accession #	NP_001266.1
NCBI GenBank Nucleotide #	NM_001275.3
Molecular Weight	50,688 Da
NCBI Official Full Name	chromogranin-A isoform 1 preproprotein
NCBI Official Synonym Full Names	chromogranin A (parathyroid secretory protein 1)
NCBI Official Symbol	CHGA
NCBI Official Synonym Symbols	CGA
NCBI Protein Information	chromogranin-A; SP-I; catestatin; chromofungin; pituitary secretory protein I; parathyroid secretory protein 1; betagranin (N-terminal fragment of chromogranin A)
UniProt Protein Name	Chromogranin-A
UniProt Gene Name	CHGA
UniProt Synonym Gene Names	CgA; SP-I
UniProt Entry Name	CMGA_HUMAN

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
