

## Goat S100 Calcium Binding Protein P ELISA Kit | S100P elisa kit

Goat S100 Calcium Binding Protein P ELISA Kit

CATALOG #  
**AAA92166**

REACTIVITY  
**Goat**

### PRODUCT SYNONYMS

S100 Calcium Binding Protein P; Goat S100 Calcium Binding Protein P ELISA Kit; S100P elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                    |
|-------------------------|------------------------------------|
| Reactivity              | Goat                               |
| Preparation and Storage | Store all reagents at 2-8 degree C |

| NCBI GeneID                      | 6286                                                                                      |
| UniProt Accession #              | P25815; Q5J7W2                                                                            |
| Molecular Weight                 | 10,400 Da                                                                                 |
| NCBI Official Full Name          | S100 calcium binding protein P                                                            |
| NCBI Official Synonym Full Names | S100 calcium binding protein P                                                            |
| NCBI Official Symbol             | S100P                                                                                     |
| NCBI Official Synonym Symbols    | MIG9                                                                                      |
| NCBI Protein Information         | protein S100-P; protein S100-E; migration-inducing gene 9; S100 calcium-binding protein P |

|                            |                |
|----------------------------|----------------|
| UniProt Protein Name       | Protein S100-P |
| UniProt Gene Name          | <b>S100P</b>   |
| UniProt Synonym Gene Names | S100E          |
| UniProt Entry Name         | S100P_HUMAN    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
