

## Sheep Anti-amphiphsin Antibody ELISA Kit | AMPH elisa kit

Sheep Anti-amphiphsin Antibody ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA94335</b> | REACTIVITY<br><b>Sheep</b> |
|------------------------------|----------------------------|

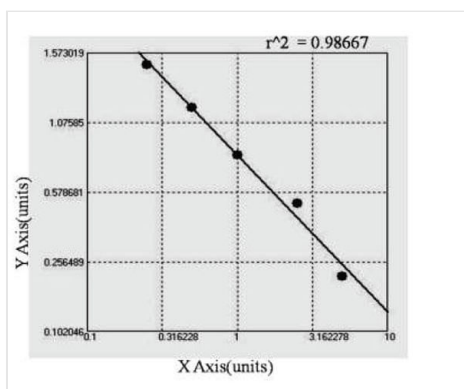

### PRODUCT SYNONYMS

Anti-amphiphsin Antibody; Sheep Anti-amphiphsin Antibody ELISA Kit; AMPH elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Sheep                                                                                                                                                                                            |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate                                                                                                                       |
| Sensitivity             | 1.0 ng/mL                                                                                                                                                                                        |
| Intended Uses           | This Anti-AMPH ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Sheep Anti-AMPH. This ELISA kit for research use only, not for therapeutic applications! |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                                                                                                                                              |
