

## Goat Forkhead Box Protein O1 ELISA Kit | FOXO1 elisa kit

Goat Forkhead Box Protein O1 ELISA Kit

|                              |                           |
|------------------------------|---------------------------|
| CATALOG #<br><b>AAA95042</b> | REACTIVITY<br><b>Goat</b> |
|------------------------------|---------------------------|

### PRODUCT SYNONYMS

Forkhead Box Protein O1; Goat Forkhead Box Protein O1 ELISA Kit; FOXO1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Goat                                                                                                                                                                                    |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate                                                                                                              |
| Assay Type              | Competitive                                                                                                                                                                             |
| Detection Range         | 0.5-10ng/mL                                                                                                                                                                             |
| Sensitivity             | 0.1ng/mL                                                                                                                                                                                |
| Intended Uses           | This FOXO1 ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Goat FOXO1. This ELISA kit for research use only, not for therapeutic applications! |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                                                                                                                                     |

| Molecular Weight                 | 69,662 Da                                                                                                |
| NCBI Official Full Name          | forkhead box protein O1                                                                                  |
| NCBI Official Synonym Full Names | forkhead box O1                                                                                          |
| NCBI Official Symbol             | FOXO1                                                                                                    |
| NCBI Official Synonym Symbols    | FKH1; FKHR; FOXO1A                                                                                       |
| NCBI Protein Information         | forkhead box protein O1; forkhead box protein O1A; forkhead, Drosophila, homolog of, in rhabdomyosarcoma |
| UniProt Protein Name             | Forkhead box protein O1                                                                                  |
| UniProt Gene Name                | <b>FOXO1</b>                                                                                             |
| UniProt Synonym Gene Names       | FKHR; FOXO1A                                                                                             |
| UniProt Entry Name               | FOXO1_HUMAN                                                                                              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
