

## Rabbit S100 Calcium Binding Protein B ELISA Kit | S100B elisa kit

Rabbit S100 Calcium Binding Protein B ELISA Kit

CATALOG #  
**AAA97652**

REACTIVITY  
**Rabbit**

### PRODUCT SYNONYMS

S100 Calcium Binding Protein B; Rabbit S100 Calcium Binding Protein B ELISA Kit; S100B elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                                                                                                       |
| Sequence Length         | 92                                                                                                                                                           |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 15.625-1000pg/ml                                                                                                                                             |
| Sensitivity             | 9.375pg/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI GI #                        | <a href="#">12804681</a>       |
| NCBI GeneID                      | <a href="#">6285</a>           |
| Molecular Weight                 | 10,713 Da                      |
| NCBI Official Full Name          | S100 calcium binding protein B |
| NCBI Official Synonym Full Names | S100 calcium binding protein B |
| NCBI Official Symbol             | S100B                          |
| NCBI Official Synonym Symbols    | NEF; S100; S100-B; S100beta    |

|                          |                |
|--------------------------|----------------|
| NCBI Protein Information | protein S100-B |
| UniProt Protein Name     | Protein S100-B |
| UniProt Gene Name        | <b>S100B</b>   |
| UniProt Entry Name       | S100B_HUMAN    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
