

## Rabbit Basic Fibroblast Growth Factor ELISA Kit | bFGF/FGF2 elisa kit

Rabbit Basic Fibroblast Growth Factor ELISA Kit

CATALOG #  
**AAA98231**

REACTIVITY  
**Rabbit**

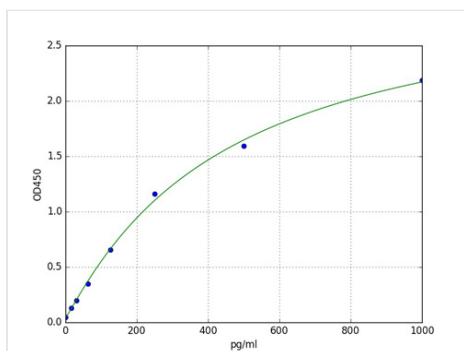

### PRODUCT SYNONYMS

Basic Fibroblast Growth Factor; Rabbit Basic Fibroblast Growth Factor ELISA Kit; bFGF/FGF2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                                                                                                       |
| Sequence Length         | 157                                                                                                                                                          |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 15.625-1000pg/ml                                                                                                                                             |
| Sensitivity             | 9.375pg/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                                  |                                         |
|----------------------------------|-----------------------------------------|
| NCBI GI #                        | <a href="#">183087</a>                  |
| NCBI GeneID                      | <a href="#">2247</a>                    |
| Molecular Weight                 | 21,203 Da                               |
| NCBI Official Full Name          | basic fibroblast growth factor, partial |
| NCBI Official Synonym Full Names | fibroblast growth factor 2              |
| NCBI Official Symbol             | FGF2                                    |
| NCBI Official Synonym Symbols    | BFGF; FGFB; FGF-2; HBGF-2               |

|                            |                            |
|----------------------------|----------------------------|
| NCBI Protein Information   | fibroblast growth factor 2 |
| UniProt Protein Name       | Fibroblast growth factor 2 |
| UniProt Gene Name          | <b>FGF2</b>                |
| UniProt Synonym Gene Names | FGFB; FGF-2; bFGF; HBGF-2  |
| UniProt Entry Name         | FGF2_HUMAN                 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
