

## Monkey Interleukin 4 ELISA Kit | IL-4 elisa kit

Monkey Interleukin 4 ELISA Kit

CATALOG #  
**AAA98360**

REACTIVITY  
**Monkey**

### PRODUCT SYNONYMS

Interleukin 4; Monkey Interleukin 4 ELISA Kit; IL-4 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                                                                                                       |
| Sequence Length         | 153                                                                                                                                                          |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 15.625-1000pg/ml                                                                                                                                             |
| Sensitivity             | 9.375pg/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                                  |                             |
|----------------------------------|-----------------------------|
| NCBI GI #                        | <a href="#">4504669</a>     |
| NCBI GeneID                      | <a href="#">3565</a>        |
| NCBI Accession #                 | <a href="#">NP_000580.1</a> |
| NCBI GenBank Nucleotide #        | <a href="#">NM_000589.3</a> |
| Molecular Weight                 | 15,797 Da                   |
| NCBI Official Full Name          | interleukin-4 isoform 1     |
| NCBI Official Synonym Full Names | interleukin 4               |

|                               |                                  |
|-------------------------------|----------------------------------|
| NCBI Official Symbol          | IL4                              |
| NCBI Official Synonym Symbols | BSF1; IL-4; BCGF1; BSF-1; BCGF-1 |
| NCBI Protein Information      | interleukin-4                    |
| UniProt Protein Name          | Interleukin-4                    |
| UniProt Gene Name             | <b>IL4</b>                       |
| UniProt Synonym Gene Names    | IL-4; BSF-1                      |
| UniProt Entry Name            | IL4_HUMAN                        |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
